QJF-QM-173B	173	1	-	15-20					

## Introductions

The machine can make bath strap with high terry in 1 to 3 colors, the loops can be 1.5 or 2.0cm high. Applying advanced micro computer control system, it has slow start function, reducing the rate of yarn-breaking and defective index. Advanced transducer allows slow start for the machine to grind in. It will stop when reach the output set before. It is equipped with LCD, can shift Chinese to English, easier for user.
